

**Dorchester Minor Hockey Association**

PO Box 41

Dorchester, ON

N0L 1G2

Dear Valued Sponsor,

Hockey season is upon us. We have begun our season and have completed prep-skates and tryouts at several different levels in the Dorchester Minor Hockey Association, we are also looking ahead to some of our major fundraising activities.

We are reaching out to introduce you to our 2024-25 Corporate Sponsorship Package. The costs associated with Hockey are continuing to increase, especially as it relates to ice rental. Corporate sponsorships play a significant part in keeping our registration fees to a minimum and allowing more players to enjoy the benefits of activity and team sports.

There are three different levels of sponsorship opportunity, gold, silver and bronze, that your organization can choose from with tiers ranging from \$400.00 to \$2000.00.

Hockey is a big part of our community, and with your sponsorship, your business and logo will receive a wide range of exposure on our social media platforms, website and sponsorship banners that are on display for all home games within our association.

Please take the time to review our package and consider sponsoring the Dorchester Minor Hockey Association this season.

Thank you and we look forward to hearing from you.

Matt Boyce  
Vice President of Finance and Fundraising  
Dorchester Minor Hockey Association
